Have YOU volunteered for a SWOT Team?

If you haven't participated in a Barnabas Group SWOT, you've missed an amazing opportunity to see how God will use your gifts and experience to influence ministry leaders for HIS Kingdom.

Read comments below from ministries who recently completed the process and were blessed by TBG members like YOU!

Marcia Ball, co-founder Kerus Education Foundation "We are so deeply grateful to each of you for honoring us with your presence yesterday when there were many other productive ways to have spent your time. It is impressive that you stop and leverage your talents to benefit the Kingdom by helping organizations like ours. It makes a big difference! We heard you affirm some viable opportunities before us. And we felt the warmth of your encouragement and open doors for asking for more assistance. Thank you for each of those things. There is deep, deep power in encouragement." (SWOT – July 9, 2014)

Sarah Vienna Berchtold, co-founder & President Firm Foundations Romania "We know each of you has a busy schedule, so we appreciate you taking the time out of your day to come alongside and help us. Our next step is going to be working on a strategic/business plan as from our conversation, we realize that it is imperative we have a clear focus and path to accomplish our desired goals. A priceless experience." (SWOT – June 17, 2014)

Ali Eastburn, founder & President With This Ring "I left the meeting inspired and ready to move forward with our mission to reach teenagers for Jesus through radical generosity. Your wisdom and expertise helped us move past what we thought were obstacles. It will be exciting to see how God opens up this new territory for us." (SWOT - March 26, 2014)

In the past year TBG conducted 8 SWOTS and requests have increased tremendously due to the significance of this process. We will announce new opportunities soon, so sign up right away.

You may perceive you have nothing to offer on the topic, but don't underestimate how God will use you. Just show up!

"Rethinking Poverty" Special breakfast seminar with Dr. Brian Fikkert (TBG Members Only)

Rethinking Poverty

A doctor can make two mistakes when you are sick: only treat the symptoms of your condition rather than the underlying causes or misdiagnose the illness. In both cases you won't get better, but you might even get worse. The same is true in our efforts to help the poor. If we only treat the symptoms or if we misdiagnose its root causes, we can actually hurt the poor in our well-intentioned efforts to help them.

Dr. Brian Fikkert, co-author of "When Helping Hurts", will challenge us to rethink our traditional understanding of poverty in order to engage in healthier ways with people who are poor. Brian is a Professor of Economics and Community Development and the founder and Executive Director of the Chalmers Center for Economic Development at Covenant College. He earned a Ph.D. in economics from Yale University, specializing in international economics and economic development. He has been a consultant to the World Bank and is the author of

numerous articles in both academic and popular journals. Prior to coming to Covenant College, he was a professor at the University of Maryland—College Park and a research fellow at the Center for Institutional Reform and the Informal Sector.

BRIEFING

Pacific Club

Join Bob Shank for breakfast and learn about The Master's Program opportunity. The decisions that follow may change your life forever.

INTRODUCTORY BRIEFING IN ORANGE COUNTY

Most professionals have invested themselves in pursuing career success. Is it time to consider the potential found in fulfilling your Kingdom Calling?

September 11, 2014 7:30-9:00 AM Join Bob Shank for breakfast and an Introductory Briefing at the Pacific Club in Newport Beach, CA. RSVP to attend.

Recessions and recoveries come and go. Survival and success are both transitional conditions. Marketplace leaders ride the trend lines of life. Christian marketplace leaders do so with Eternity on the horizon.

Even in times of career success, satisfaction is shallow. It takes more for the serious follower of Christ Jesus to achieve the significance that God intends. Are you ready to explore, expose and exploit your Kingdom Calling?

You've been taught; you've been discipled; is that all there is? If you're ready for a mentoring opportunity that will help you see over the horizon of today - into the possibilities of tomorrow - this introductory event is for you.

Come spend 90 minutes with us to learn how **The Master's Program** could serve you in your journey toward 100x returns.

To attend, RSVP <u>online</u>, or contact Clara Esser at <u>clara@mastersprogram.org</u> or call her at 714-282-7707.

SAVE THE DATE -- INVESTING IN DREAMS - HOPE INTERNATIONAL -- DINNER & AUCTION

We'll hear from Peter Greer, HOPE International's president and CEO, and together raise funds to help HOPE-network clients around the world mobilize financial services and the hope of the Gospel to create brighter futures for their families and communities. The evening will include dinner, entertainment, and live and silent auctions.

NORTHRISE UNIVERSITY UPDATE, AUGUST 2014

2014 marks the 10 year anniversary for Northrise University. A celebration of God's faithfulness in leading founders, Moffat and Doreen Zimba, and providing for the needs of the university was celebrated in Zambia and the US. Northrise opened its doors in 2004 offering two 2 certificate programs to 50 students. It currently offers 13 undergraduate degree programs and an MBA, providing a Christ-centered education to a current enrollment of 665 students.

This summer, construction will commence on the 26,000 sq foot Campus Center Building which will house the faculty and staff offices, lecture halls, cafeteria, computer center, library, student services and a 200 seat auditorium. This is the first phase of a three phase, *Advancing the Vision* campaign, which will ultimately provide facilities to grow the University to a 2,000 student capacity.

Northrise University has entered into a partnership agreement with Baylor University which will focus on summer discipleship programs, research and business summer staff development, student internships and semester long faculty exchanges. Currently two Northrise graduates are studying for their masters degrees at Baylor, one in Social Work and the other in Divinity.

TAKING YOUR TALENTS......TO CHINA?

Isn't it joyful to give someone you love a gift? How about to a stranger because Jesus loves them? Have you ever given someone his or her very first own bible? Imagine traveling across the globe into a foreign land to personally hand out thousands of bibles to people of all ages and walks of life. It sounds intimidating; almost impossible. But God is moving ubiquitously in mainland China and we want to encourage you to come join us for a two-week adventure that will change your life – and someone else's- forever.

China's population is currently over 1/5 of the entire world and there are millions of people who have never heard the gospel because they either cannot afford or access a bible. Word4Asia has been working with churches and non-profit agencies for over 15 years to *legally* distribute tens of thousands of bibles at a time to people in rural China. We are currently enrolling for our next trip in November and are looking for people who have a heart to fulfill the great commission. Please contact us for more information.

Blessings,

Bryan Thompson, Personal Assistant to the President

NATIONAL NETWORK OF YOUTH MINISTRIES

The National Network of Youth Ministries links youth workers for encouragement, spiritual growth, and sharing resources in order to expose every teenager to the gospel of Jesus Christ, establish those who respond in a local church, and disciple them to help reach the world.

Jesus prayed in John 17:21 that believers would be known for their unity "that the world may believe..." Motivated by Jesus' value for unity, the vision of NNYM is to unite youth workers and national ministries in order to reach teenagers for Christ.

For more than 30 years, NNYM has championed this vision and has steadily built unity among youth workers in over 750 U.S. communities. For more information, contact Daryl Nuss at 858-451-1111 or visit www.youthworkers.net.

Overview of Ministry

Kids Around the World (KIDS) is a Christian international relief and community development agency with a regional office in San Clemente, CA. We exist to impact the lives of kids with God's transforming hope. KIDS collaborates with ministry partners and individual volunteers to accomplish this holistically through three integrated ministries. 1) We develop play-focused projects that introduce and leverage the benefits of play to empower at risk children in developing communities and unreached people groups where play is scarce. Toward this end, we coordinate volunteer teams that remove, refurbish and repurpose used domestic playgrounds. Working with in-country partners, these playgrounds are reinstalled overseas at orphanages, churches, schools, refugee camps and community centers. Children need healthy bodies to play so KIDS also 2) organizes volunteer-driven food packing events, providing vitamin and nutrient-dense meals to communities facing extreme hunger and malnutrition. 3) Our third and most vital ministry we call KIDStory - a child-focused evangelism and discipleship curriculum that trains local youth leaders to share the gospel through story-telling, drama, games and arts, so that that children are engaged, learn, receive and share the hope of Christ... transforming families and communities.

Potential TBG Opportunities to Get Involved

- 1. Volunteer on a playground building trip (or help sponsor a playground).
- 2. Host or volunteer at a meal packing event.
