BRIEFING

Join Bob Shank for breakfast and learn about The Master's Program opportunity. The decisions that follow may change your life forever.

Are you
maximizing your
leadership outside of
the marketplace?

INTRODUCTORY BRIEFING IN ORANGE COUNTY

Most professionals have invested themselves in pursuing career success. Is it time to consider the potential found in fulfilling your Kingdom Calling?

*January 13, 2015 7:30-9:00 AM
Join Bob Shank for breakfast
and an Introductory Briefing at
the Pacific Club in Newport
Beach, CA. RSVP to attend.*

Recessions and recoveries come and go. Survival and success are both transitional conditions. Marketplace leaders ride the trend lines of life. Christian marketplace leaders do so with Eternity on the horizon.

Even in times of career success, satisfaction is shallow. It takes more for the serious follower of Christ Jesus to achieve the significance that God intends. Are you ready to explore, expose and exploit your Kingdom Calling?

You've been taught; you've been discipled; is that all there is? If you're ready for a mentoring opportunity that will help you see over the horizon of today - into the possibilities of tomorrow - this introductory event is for you.

Come spend 90 minutes with us to learn how **The Master's Program** could serve you in your journey toward 100x returns.

To attend, RSVP [online](#), or contact Clara Esser at clara@mastersprogram.org or call her at 714-282-7707.

Give Anonymous Interactive Feedback to the TBG Ministries

For TBG OC meetings, we are asking our Barnabas Group members to sign up for a free app on their smart phones, **VOXopolis - Anonymous Interactive Messaging**.

Members who do this will be able to "VOX" the presenting ministries anonymous feedback or questions at the end of the meeting or anytime thereafter. VOXing is like sending an anonymous email message and because it runs like email, the presenting ministries can "VOX" you back while you remain totally anonymous. VOXopolis will keep your identity private and secure.

To get started, simply download the app to your iPhone or Android from the App Search feature on your smart phone. Then type in the ministry VoxID to send them a VOX.

Enhance Ministry with Bible Storying!

Have you ever considered enhancing ministry with Bible storying? Learn more by attending a Bible storying group with coffee and dessert exclusively for Barnabas Group members, Thursday, November 6, 6:30pm – 8:30pm at MiMi's Café, 4030 Barranca Parkway, Irvine, CA. Spouses are welcome. The story session will be led by StoryRunners, a ministry of Campus Crusade for Christ.

After just a few minutes, you'll be able to retell a short Bible story and then discuss it. A Bible storying group is an incredible nucleus for building relationships! Come experience why it should be in your ministry toolbox!

Think of the Bible storying group as an atom God splits to produce a spiritual chain reaction. This atom usually has 6 to 12 people that regularly meet to learn and discuss the next story in a chronological or topical story set. Participants learn and retell the stories to others and invite them to participate in their group. They are male, female, young, old, wealthy, poor, educated and illiterate. Each group leader teaches the story and leads the discussion by asking general questions. As each group grows, it splits into new groups led by participants (even those that can't read!) from the old groups.

GOD SPLITS THE STORY GROUP ATOM!

Bible story groups quickly provide the relational nucleus around which other ministry strategies can orbit. Story groups can be positioned anywhere as:

TRAINING POINTS

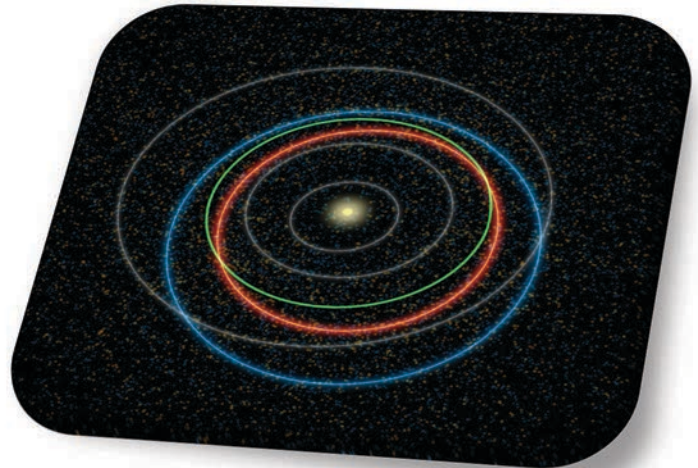

For evangelism, discipleship, church planting and leadership training

MERCY POINTS

For clean water, healthcare, vocational training, micro lending, literacy centers, and other acts of mercy

LAUNCH POINTS

For radio broadcasts, Bible & *JESUS* film translations, and film teams drawing in new believers

STRATEGIES ALWAYS ORBIT RELATIONSHIPS!

EMAIL your name(s) to Dale.Smith@cru.org to reserve a seat. At the end of the story group session, next steps will be discussed about how to include Bible storying in your ministry toolbox.

Chinese Children's Ministry

Word4Asia is a consulting firm that is currently the leading legal Bible distributor in mainland China with a highly trained staff, deeply rooted relationships, and a willingness to follow the Holy Spirit. With over 15 years of experience in helping ministries achieve sustainable success in outreach to China, we are about to step into the next frontier. Christian literature for children.

As we have witnessed the power of giving out God's Word and training church leaders, we realized there is an unmet need with children. By putting the gospel into words and pictures that children can understand we can influence the next generation. What's mind-boggling is the reality that Children's ministry is a new concept in China and just beginning to take off. We will be printing and distributing our first batch of children's books during our trip this November. W4A is now receiving applications for our spring trip April 12-23, 2015. We are also always in need of qualified Bible teachers to train pastors and Elders. Love children? Love to teach? Please contact us. Bryan Wood at bryan@word4asia.com or 949-328-0207

Birth Choice Health Clinics finishing 2014 strong

Birth Choice Health Clinics (BCHC), one of the largest pro-life networks of community health clinics in California, is finishing 2014 very strong. With the successful launch this past August of the parenting program "Beginnings," which gives women the critical skills and knowledge they need to become successful parents, we look forward to launching the "Dad's Project," a unique and comprehensive learning opportunity for young fathers-to-be to become positive role models in their children's lives. We are also closing this year with the remodel of our Mission Viejo clinic. We are adding an additional exam room, which will allow us to serve more vulnerable and abortion-minded patients than ever before. Most importantly, BCHC is nearing 6,000 women and babies saved from experiencing the darkness of abortion by the end of this year. Lastly, November marks our annual Gala in which a large percentage of the annual organizational budget is raised, therefore we request your prayer and support for this event. For more information you may contact Keith Cotton, Church and Community Outreach Manager, by phone at 949-916-0694 or e-mail at keith@birthchoiceclinic.org

Northrise University Update November 2014

Northrise University is currently educating 665 students, preparing them with a Christ-centered education, a daily meal and providing health care. Graduates are in high demand by employers and Northrise continues to encourage all of its students to remain in Zambia to contribute to the spiritual and economic transformation of Zambia. To date, no Northrise graduate has left Zambia to make their permanent home in another country.

Construction of the Campus Center building is currently under way with an anticipated completion date of July 2015. The Campus Center building features a 200-seat lecture hall, library, computer lab, coffee house, cafeteria and faculty and staff offices. This is a

significant step for NU, as it will allow the university to move entirely from its downtown campus on to the main university campus. In addition, this is the first step in expansion of our facilities with a vision to ultimately increase student enrollment to 2,000 students.

Come and visit Northrise this summer! Tour the campus and serve alongside Northrise students on the Impact Ndola mission trip July 9-18, 2015. Ministry teams include: vacation bible school, women's conference, pastor's conference, medical and dental teams, and a farm and land team all sharing the love of Christ and impacting the community of Ndola.

For more information contact Kathy.Pipkin@northrise.org or visit www.northrise.org

D. OUR “ELEVATOR SPEECH” (external)

Brand Promise	Bible Translation. Life Transformation
What do you do? (50 words or less)	Seed Company partners with indigenous churches/ministries, local translators, international partner organizations as well as financial and prayer partners in a strategic effort to make God's Word readily available for faster church planting and effective discipleship. This effort ensures the Scriptures are translated accurately and provided in the most relevant and accessible forms for maximum impact.
Key Endorsements (names of people or organizations)	Strategic Partnerships: SIL, Wycliffe, Faith Comes by Hearing, Jesus Film, American Bible Society, National Christian Foundation, Every Tribe Every Nation, United Bible Societies, and over 600 more partners. Celebrity Endorsements: Chris Tomlin, Randy Alcorn, Peb Jackson, Ann Voskamp, Alistair Begg, Francis Chan, David Crowder, David Bowden, and many more.
Our “BHAG” is:	To see God's Word transform lives in every language in this generation.

E. THE FIVE DRUCKER QUESTIONS (internal)

From: *The Peter F. Drucker Foundation Self-Assessment Tool: The Five Most Important Questions Every Nonprofit Organization Must Ask* (leadertoleader.org)

1. What is our mission?	Our mission is to accelerate Scripture translation and impact for people without God's Word through Great Commission partnerships.
2. Who is our customer?	<ul style="list-style-type: none"> Our PRIMARY customer is: The one billion Bibleless people that speak nearly 1900 different languages. Our SUPPORTING customers are: The local church around the world, those affected by literacy education, and those who may benefit from the life transformation that Scripture brings
3. What does the (PRIMARY) customer value?	That is entirely dependent on the customer. Ultimately, they value having the Word of God in the language they know best. However, we do customize each project to produce specifically what the customer values, whether that be the New Testament, Old Testament, oral Bible stories, audio or print Scripture, the Jesus Film, sign language materials, etc.
4. What have been our results?	In 2014, Seed Company celebrated the 1000 language group to receive God's Word through Seed Company involvement. Through receiving God's Word in their heart language, millions of people have come to saving faith in Jesus Christ.
5. What is our plan?	Through prayerful and strategic planning, Seed Company is committed to engaging God's people to advance the Great Commission work of Scripture translation, through maximizing the capacity of Bible translation partners through innovative solutions for translation and organization best practices, in order to complete Scripture translation projects managed for timeliness, quality and impact through Biblical stewardship of resources.

D. OUR “ELEVATOR SPEECH” (external)

Brand Promise (slogan or tagline)	Hardwired is mobilizing the next generation to defend religious freedom worldwide.
What do you do? (50 words or less)	We're all <i>hardwired</i> to know God but religious persecution is preventing billions of people from discovering this. Hardwired addresses the root causes of religious persecution – government restrictions and social hostility – by empowering local communities to know their rights and defend them. Youth are interested in many justice issues, some are losing their faith as they encounter injustice in the world. Hardwired is inspiring them to take up the mantle of religious freedom as a justice issue for future generations.
Key Endorsements (names of people or organizations)	Organizations that have supported our work include the Maclellan Foundation, Voice of the Martyrs, First Fruit, Cornerstone Foundation, and React Associates/Religious Liberty Partnership.

Our “BHAG” (Big Holy Audacious Goal) is:	For every person in the world to be free to know God and express their faith without fear.
---	--

E. S.W.O.T. ANALYSIS

STRENGTHS	WEAKNESSES	OPPORTUNITIES	THREATS
<ul style="list-style-type: none"> Youth connect with Hardwired’s youthful leadership. Unparalleled experience in religious freedom law, policy and education. The only organization engaging youth with opportunities to work on religious freedom inside Congress and with organizations in the field. Proven track record of success training leaders to defend their own rights and change laws and public opinion in Sudan, and training world leaders in foreign governments. Ability to work in countries most organizations can’t access because of experience, broad global network and legal approach. 	<ul style="list-style-type: none"> The work will take time and long-term partnerships, working in a few countries at a time to build up local leaders that can train others and influence public opinion. We are unable to publicize our strategies for each country to protect the safety of those we train and their ability to strategically affect change. Training local leaders in closed countries can put our partners in danger if we don’t take extra precautions which can be more costly. Youth are engaged in many justice issues but are generally disinterested in religious freedom, so we will find creative ways to engage them. 	<ul style="list-style-type: none"> Many countries are undergoing legal changes and are looking for support to develop stronger laws for religious freedom. Youth are very interested in social justice issues in the US and want to engage when they hear about our work. There are no other organizations operating in the religious freedom space providing this kind of strategic training to impact changes in countries. Foreign governments are increasingly looking to us for training, including in Nepal, the European Parliament and Canada, and helping to reinforce the efforts of those we train locally. 	<ul style="list-style-type: none"> Many governments fear that religious freedom will allow missionaries to lead people to leave the national religion. As a result, they may try to attack those we train or end the trainings so our work must be very discreet. Local leaders put themselves at risk when standing up for their rights. To mitigate these risks we mobilize public support for them through social media and teach them to work in coalitions. While there is much support for providing aid to the persecuted, there is less support for alleviating the root causes of religious persecution to have a long-term sustainable impact.

F. THREE STRATEGIC (and specific) WAYS FOR TBG MEMBERS TO BECOME INVOLVED

No.	Opportunity/Task/Volunteer Role	Target Date
1	You can help us inspire the next generation to take up the mantle of religious freedom by sharing our social media sites and connecting us to any colleges or churches where we can meet students and share with them. You can also ask local schools to share our curriculum with their students.	
2	You can help us bring hope of religious freedom to people like Meriam Ibrahim around the world by helping us train more local and global leaders. You can sponsor a country training, an individual, or translation and other costs. Or, you can host an event to give us an opportunity to share what we’re doing with others who will support our work.	
3	You can help us encourage members of Congress to support our Fellows work on religious freedom by speaking to them about religious freedom or asking them to meet us.	
	<u>Major Prayer Request:</u> That Christians will recognize the need to stand with those suffering “as though you yourself are suffering” (Hebrews 13:3) and help us train young leaders to build stronger laws so that people are free to come to hear about Christ and follow Him.

What do you do? (50 words or less)	ER helps people living at risk, typically those experiencing deep poverty, hunger, disease, human trafficking, or ostracism. Our "BHAG" (Big Holy Audacious Goal) is:	We want to reach those in need, and we need local partnerships to be most effective. These partner organizations are starving for leadership training, coaching, resources and community. We want to become the BEST Partnership Organization in the world, leveraging our impact to reach those in extreme need.

E. THE FIVE DRUCKER QUESTIONS (internal)

From: *The Peter F. Drucker Foundation Self-Assessment Tool: The Five Most Important Questions Every Nonprofit Organization Must Ask* (leadertoleader.org)

1. What is our mission?	To change the lives of those living in extreme situations.
2. Who is our customer?	<ul style="list-style-type: none"> Our PRIMARY customer is: <i>The poor, the oppressed, the abandoned, the hopeless</i> Our SUPPORTING customers are: <i>Local leaders and organizations we partner with that are directly changing lives of those in extreme situations</i>
3. What does the (PRIMARY) customer value?	Our Primary Customer values the relationship that comes from our staff and our partners. They value the help that comes in the form of education, nutrition, shelter, protection and training. They value the hope that comes when they realize they have a God, a creator that loves them.
4. What have been our results?	We have seen an AIDS clinic in South Africa change from a place of death to a place of recovery. We have witnessed street kids in Quito change from hopeless victims to active volunteers in their community. We have helped dump workers living in cardboard shacks move their families into their first homes. We have seen girls rescued from being sold and given a new life. We have seen leaders and organizations strengthened and equipped resulting in greater impact. <i>We have seen lives changed.</i>
5. What is our plan?	ER is creating a global network of local leaders, organizations, volunteers, donors, staff and interns who respond to the suffering of others. We seek to build up our three regions (Asia, Africa & the Americas) by adding volunteer and staff "bench strength", meeting crushing needs, and increasing accountability.

Overview of Ministry

All Things Possible Ministries brings hope and healing to hurting and abused youth in the USA and now globally. Each year as Victor Marx shares the Hope of Christ through his personal testimony, thousands of youth are coming to the truth of who they are, realizing that the shame was never theirs, and believing that they are valuable & have a Creator who loves them & has a plan for their lives. The impacting story of what God has done in Victor Marx has been put in an easy to read biography and now documentary film subtitled in 15 languages titled *The Victor Marx Story*. The ministry always gives these life-changing resources away free to youth at juvenile facilities, foster care homes, and high schools. The film can be viewed free on ATP's YouTube channel that has over 17 million views. The major projects currently in production include our new film coming out in 2015 on PTS(D), *Triggered*, which aims to bring hope & healing to all who suffer from PTS(D). We have recently extended our reach into the Muslim world in the Middle East, where a version of *Triggered* will be made specifically to relate with the Muslim culture & the abuses hidden yet sadly accepted as part of the culture against women and children. The film will include an interview with a known leader of a terrorist organization who will share about his abuse as a child, which drove him to becoming an instrument of evil. Victor Marx has been called a "High Risk Missionary" by the Special Forces and intelligence community because of his passion to go and do where most would rather not. Victor & his wife encourage others to live fully surrendered to God and although not the easiest, it is the most satisfying!

Potential TBG Opportunities to Get Involved
