MASTERS  
PROGRAM

## INTRODUCTORY BRIEFING IN ORANGE COUNTY

**Most professionals have invested themselves in pursuing career success. Is it time to consider the potential found in fulfilling your Kingdom Calling?**

*March 12, 2015 7:30-9:00 AM  
Join Bob Shank for breakfast  
and an Introductory Briefing at  
the Pacific Club in Newport  
Beach, CA. RSVP to attend.*

Recessions and recoveries come and go. Survival and success are both transitional conditions. Marketplace leaders ride the trend lines of life. Christian marketplace leaders do so with Eternity on the horizon.

Even in times of career success, satisfaction is shallow. It takes more for the serious follower of Christ Jesus to achieve the significance that God intends. Are you ready to explore, expose and exploit your Kingdom Calling?

You've been taught; you've been discipled; is that all there is? If you're ready for a mentoring opportunity that will help you see over the horizon of today - into the possibilities of tomorrow - this introductory event is for you.

Come spend 90 minutes with us to learn how **The Master's Program** could serve you in your journey toward 100x returns.

To attend, RSVP [online](#), or contact Clara Esser at [clara@mastersprogram.org](mailto:clara@mastersprogram.org) or call her at 714-282-7707.

## Journey to the Land of the Bible

October 20-31, 2015

Guided by  
**Tom Doyle, E3 Partners**

Your Hosts  
**Jim West, The Barnabas Group & Bob Shank, Masters Program**

Although we've traveled the world, last year was our first visit to Israel. In October we were part of an extraordinary visit to the vortex of God's past...and His plans for the future! Maybe you've been waiting for the "right time" to make your personal pilgrimage to the Holy Land. This tour is your best option: our trip leaders, Tom and JoAnne Doyle, are friends who lead the mission for E3 Partners in the Middle East, and their contribution to our experience is priceless. We'll see the biblical sites, but we'll also look beneath the headlines of today and get a chance to participate - personally - in the ministry God is doing among Jews and Muslims in the land the Lord Jesus called home! This is a limited offer: just one bus of dear friends who are Master's and Barnabas-styled leaders and long to create once-in-a-lifetime memories together!

## **COMMENTS ON THE 2014 BARNABAS GROUP ISRAEL TRIP**

**JOHN VANZANDT** -- It was a wonderful trip! Far beyond my wildest expectations, even though I'm a frequent international traveler!

When I signed up for the trip, I had the expectation of getting the chance to see the biblical sights, much like I would see the roman ruins. What I came away with was so much more. First it was the fellowship of the other Barnabas Group couples who each have an incredible heart for Christ. Second, it was the biblical teaching of Tom and Joann Doyle, it felt like a 10-day bible study, analyzing scriptural versus while walking in Christ's footsteps. Third, it was the immersion in the current religious and political environments of the area, which was totally unexpected and eye-opening. I came back with changed views on that region which would not have happened in any other way. And after meeting followers of Christ from that region and hearing their stories, I am humbled by their faith. I will forever remember the comments by Tom Doyle that "being a Christian in the Middle East means being willing to die for Christ." How that changed my perspective when I went to church on the Sunday I came back and sang praise songs while thinking about my brothers and sisters being persecuted around the world.

In the few days that I've been back, I've already recommended to a dozen people that they should go on such a trip.

**STEVE PHILP** -- Here is a summary of my thoughts on the Israel trip:

"The TBG Israel trip completely exceeded my expectations. I was hoping for a historical and personal spiritual experience and definitely received that. However, what I was not anticipating was a parallel focus on the current situation in Israel and surrounding countries from political, religious, evangelistic and prophetic perspectives. Our guides, Tom and JoAnn, led us into glimpses of the work of the gospel both in "closed" nations and amongst God's chosen people, which re-grounded my understanding of the Great Commission. Observing their servant's hearts and love for people groups I previously associated as threats to the gospel challenged my faith in new ways. I would recommend this experience to all believers and followers of Jesus."

**GEORGE ANDREWS** -- Thank you for putting together such a special trip to Israel. Tom and JoAnn Doyle were wonderful tour guides with a deep understanding of the biblical history of Israel and the many political issues the country faces today. Many of the sites we visited will have a lasting impact on me. I did not expect to experience the spiritual, emotional and intellectual growth that happened to me on this trip. The accommodations and food were excellent. I would highly recommend this trip to anyone who is considering a visit to the Holy Land in the future.

**BILL CARSON** --I knew this trip would be life changing, but to experience it with Barnabas brothers and sisters was an exceptional opportunity. Not knowing everyone in

our group was a blessing as we bonded over the duration of the tour. This was especially true of our guide and mentor Tom Doyle and his wife JoAnn. But the group as a whole was simply amazing. Everyone contributed to make this a very special memory.

All my preparation for this trip didn't come close to the preparation taken by Morningstar and our group leader's organizational skill in executing the plan. There is more to Israel than the sites we visited. The venues were exceptional, but the people we were exposed to made the trip. From the special boat ride on the Sea of Galilee to the Ariel Holocaust Museum to the Jewish enclave in the city of Hebron, we met so many real Israeli's that gave us hope for the survival of God's Holy Land.

Anyone who gets the chance to visit Israel in the company of Barnabas Group folks would be blessed beyond their imagination. I encourage those considering such a trip to do it sooner rather than later. You will never look at scripture the same way again. It comes to life and reinvigorates your desire to reread every verse in the Bible with new eyes and ears. Don't wait until it is too late.

**JIM PEEVEY** -- I love history and reading about distant lands and the events that occurred in a time long past.

Sometimes in reading history you wonder if the author was actually telling the truth or using creative license.

Even though I strictly believe the Bible to be the inspired word of God, I sometimes wondered about the complete factualness of the authors and the areas they were describing.

After The Barnabas Group's trip to Israel, I cannot read my bible without saying "Wow, I saw that!"

Tom and JoAnne Doyle, our trip leaders, truly made the Bible come alive to me.

I cannot thank them enough for their hearts of service to the Lord's Kingdom and their ability to make our team feel like we were on a sacred pilgrimage each and every day of our trip. I am forever changed!

## STANDING STONE

Standing Stone, a ministry dedicated to caring for pastors and their spouses, will be holding another Associates Training in Dallas, TX in the month of March. These trainings are designed to prepare gifted and experienced pastoral leaders to care for pastors around the country at risk of leaving the ministry prematurely. The best statistics available reveal that between 1,700 and 1,800 pastors are leaving the ministry every month – the top two reasons are ministry burnout and marital issues. Many communities have been negatively impacted when a ministry leader's marriage fails or when they leave their church in an unhealthy way. Our associates know the pressure and challenges facing these men and women and offer a safe environment for them to vent and process their issues with individuals that have walked in their shoes. Although our Associates program is less than a year old, we are already caring for several hundred pastors around the country.

We would ask Barnabas Group members to lift this vitally important ministry up in prayer. Also, please help us identify qualified men and women who have proven character, a passion to invest in other pastoral leaders, and help us connect with them. If you would like to partner with us in making sure our pastoral leaders and their spouses are healthy, please feel free to call Ken Eichler direct at (949) 701-7353. Remember, healthy pastors lead healthy churches and healthy churches build healthy communities!

## **TRAVEL TO CHINA WITH WORD4ASIA**

Word4Asia is a consulting firm working with many of the larger Christian nonprofits to assist them in providing Bibles and Bible tools for the church in China. We work legally and are able to offer distribution to Pastors and teachers in the most rural and neglected areas of China. Our service builds invisible bridges to the most difficult to reach minority and neglected areas of China.

China has the fastest growing church in the world today. Evangelism is not the challenge. The church in China is doing that. What they lack is discipleship and the resources necessary to assure a quality Church. If you are qualified to train and teach we will provide legal training opportunities for you and your organization. We also have resources to assure your product is placed at the lowest possible CPU (Copy per Unit). Do you have the desire to train leaders in: Bible knowledge; family and marriage; elder care; leadership?

Please contact Dr. Gene Wood (626 224 8703 or [gene@word4asia.com](mailto:gene@word4asia.com)). We also invite you to join a Bible distribution team. Each team will place at least 7000 Bibles in rural China during your time with us. Take a vacation with an eternal purpose. You'll visit places where no Westerner has been before. See the "other" China.

## **GEMS INDIA MINISTRY**

CREST is a retreat center exclusively built for couples in full time ministry in South India. During the last two years we were able to serve more than two hundred couples from the state of Telangana (one of the south Indian states). We conduct a four day retreat usually starting on Monday evening and ending after Thursday lunch. We do around 15 retreats during the year. Because of the overwhelming demand for such retreats where couples not only rest and refresh their souls but also have a quality time with each other that strengthens their marriage, we are starting a second phase of retreats (four days) for those who attended the first retreat.

We just completed the DVD curriculum for the second phase that covers subjects like: Boundaries in Ministry, Taking care of our body (God's temple), Spiritual freedom, understanding and enjoying our differences, the gift of intimacy and Finishing Well. We are hoping to host around 15 retreats during the year 2015 (Five for new comers and ten retreats for couples who attended the first retreat during last two years). Our vision is to spiritually and emotionally strengthen the couples in ministry so that we will have more healthy churches and Christian ministries in India. For more information about our ministry, please check out our website, Thank you for your prayers and support. [www.GemsIndiaMinistry.com](http://www.GemsIndiaMinistry.com)

## **BIRTH CHOICE HEALTH CLINICS BECOMES OBRIA MEDICAL CLINICS**

Birth Choice Health Clinics has been one of the largest pro-life networks of community health clinics in California for the past eight years. With our boots on the ground approach, we have

touched the lives of thousands of women facing crisis pregnancies and saved close to 6,000 babies. With the implementation of the Affordable Care Act, we have seized a new opportunity to attract a larger network of women and men who find themselves in an unintended pregnancy. With this new opportunity comes a new name: Obria Medical Clinics.

California is a focal point, especially because we sadly have an abortion rate that is 40% above the national average. With our new brand we are strategically positioning ourselves to grow and expand. Over the next five years we will open 25 Obria Medical Clinics in California. We are proud to announce the opening of our newest Obria Medical Clinic in the Buena Park community on February 1<sup>st</sup>, 2015.

We request your prayers and support as we grow. For more information, please contact Keith Cotton, Church and Community Outreach Manager by phone at 949-916-0694 or e-mail at [keith@birthchoiceclinic.org](mailto:keith@birthchoiceclinic.org)
