Giving Privately Held Stock Before a Company Sale

Strategy in Brief

Donate a non-voting interest in your business to your NCF Giving Fund before the sale, receive a substantial tax deduction, reduce or eliminate capital gains taxes on the gifted interest, and convert those tax dollars into more giving to your favorite ministries.

How it Works

Results

This table shows the impact of giving a California 20% non-voting interest in a \$5M C-corp (with a \$100,000 cost basis) prior to the sale.

	Sell then Give	Give then Sell
Capital Gains Tax	\$1,817,900	\$1,454,320
Income Taxes Saved	\$320,119	\$503,000
Net Taxes Owed	\$320,119	\$866,580
Giving	\$636,420	\$1,000,000

As a result of giving assets vs giving cash, **\$363,580 MORE** would go to your favorite ministries while increasing net cash flow by **\$182,881** for more giving, saving, or investing!

JOURNEY TO THE LAND OF THE BIBLE

with
Bob Shank
Jim West

guided by
Tom Doyle
October 16 - 27, 2018

Join us on a life-transforming journey! The Bible will come to life in ways you never thought possible as you walk in the steps of Jesus and other biblical giants. Immerse yourself in the sights, culture and breathtaking landscapes of the Holy Land, and hear life-changing messages throughout your journey. Once you experience Israel in this way, your life, prayer and understanding of Scripture will be forever changed.

HERE IS WHAT PEOPLE SAID ABOUT THEIR TRIP TO ISRAEL WITH TBG/TMP

The Barnabas trip to Israel was a life changing event. I always thought I had a biblical worldview and now I have a 3D Biblical world view. Our trip was not only historical but we also experienced what is happening today in the Middle East. Tom and Joann Doyle were an amazing example of how we are to respond to the people that cross our path as well as incredible teachers. An added bonus was the opportunity to get to know Barnabas members on a more personal basis and the hotels and food were fantastic. I cannot wait to make a return trip!

Israel is a land of contrasts; extremes of faith and historical dispute. The Doyles were an unexpected blessing of knowledge and compassion that enhanced the experience tremendously. The accommodations, food and daily itinerary were carefully selected and timed to the group's capacity. It made me so keenly aware of the need for prayer and tolerance for the various peoples of the Middle East. The Bible in 3D was an inspiration and recommitment to all followers of Jesus. The Barnabas members also gave me a sense of community and love that I find hard to express.

What an amazing time in Israel! Most people go for the Bible sites and the Jewish history, and we were well served with those tour results. The unexpected extras pegged this experience at an extraordinary level: the chance to see what's really happening in Israel today - making sense apart from the headlines concerning the Palestinian conflicts and the Jewish challenges - was profound. With the Doyles as our guides, we had the added benefit of their front-line reporting on what God is doing in Israel and the Middle East, from the mission leaders who are making it happen. Along with all of that, the incredible quality of our Barnabas colleagues as tour-mates valued the trip at "priceless." We'd do it again, and we will!

We had a fantastic trip to Israel. It exceeded our expectations and was a trip of a lifetime. The weather was great, the hotels and food (I gained 9 pounds) were five star, the couple leading our group, Tom and JoAnn Doyle, was wonderful, and the people on the tour with us were outstanding. We have made some new friends for life. We saw all the traditional holy sites and other destinations many tourists don't see. Highlights for us were on the Sea of Galilee, Masada, Jerusalem, and Hebron. We felt safe as only minor incidents were observed or reported to us. We highly recommend you go to the Land of the Bible. It will be a blessing.

Free Ministry Workshop

LIND & ASSOCIATES, LLC PRESENTS:

Passing the So-what Test

Learn how to zero in on the most compelling argument for financial support; the impact your organization produces.

Dr. Gilles Gravelle

Based on Gilles' new book, *So What? Answering a Donor's Toughest Question*. Gilles has over thirty years of experience in missions and ministry. He has been involved in proposal writing, fundraising, vetting funding proposals, and advising high net worth donors. He does extensive research on ministry and philanthropy trends. He has helped many nonprofit organizations develop clarity around their impact goals, so they know what to measure and how to talk about it with potential donors.

Non-profit leaders use a lot of words and arguments to convince a new audience that their cause is worthy of their support. However, it is often overwhelming for the audience. Instead, let your organization's good results do all the convincing from the start. This is not necessarily about numerical impact. Rather, it is a timeline of your change stories.

New donors will join you because:

- They understand the qualitative impact you produce.
- You made their learning journey easy and enjoyable.
- You avoided insider jargon and complexity.
- You didn't ask for a donation up front.
- You talked more about results and less about yourself.

Why the need for S- Corporation law changes now!

1. With new tax law changes, it's more advantageous to sell S-Corporation stock than C-Corporation stock. The reason being that only 80% of the income earned will be taxable. The advantage is to make an IRS Coded section 368g election to increase the basis of depreciable assets to the purchase price of the business.
2. There are approximately 6.4 million S-Corporations. Many businesses have made the election to be taxed in that manner. As the age of owners is approaching retirement age, these businesses will be sold in the near future.
3. S-Corporations cannot be owned by a Charitable Trust (CRT) or a Pooled Income Funds. So sellers of S-Corporations can't donate to charities in the same capacity as C-Corporation sellers.
4. If this law changes, charities could benefit from donations from CRT's over the next 20 years by as much as \$8 trillion dollars. Additionally, this could shift the government-provided services to more philanthropic organizations!
5. The US Treasury would benefit. Currently, the process to benefit using CRT's is to terminate the S-Corporation election and then transfer ownership to a CRT before its sale. This process is difficult and buyers are not willing to pay a premium for the entity. The change would permit CRT's to own S-Corporation stock at the time of sale; the shareholder's lifetime income will be increased, and more taxes paid.
6. The ban on CRT's owning S-Corporation stock was established in 1958. There is no reason not to remedy this oversight, as it would help our country and small business owners.

GEMS MINISTRY CHANGES!

GEMS is a Christian Non-Profit (501c3) serving pastors in south India since 2008. We have a retreat center exclusively built for couples in full time ministry in South India called CREST (Center for Renewal, Edification and Spiritual Transformation). During the last ten years we were able to serve more than six hundred couples from the state of Telangana and Andhra Pradesh. We conduct a four day retreat starting on Monday evening and ending after Thursday lunch with seven to ten couples per retreat.

Since India has risen to # 15 where Christians are most persecuted for their faith (Open Doors USA), we sense a greater demand from pastors and missionaries who are facing persecution from the government and other militant groups. My wife Sunitha and I are planning to move to India and spend six months of every year mentoring and encouraging these couples in ministry. I will be stepping down as the lead pastor of the church I served for 13 years in Irvine and joining Standing Stone ministry as a field shepherd.

We have two main prayer requests: Pray for our transition to India and also for our housing while we are here in Southern California. We are looking for an affordable housing during the six months we are here from December to May of each year. Please contact me (revburgula@yahoo.com or 949 439 6878) if you have some ideas for our housing. Thank you for your prayers and support. www.GemsIndiaMinistry.com

KAIROS GLOBAL UNIVERSITY

We have just completed our on-going summer program in Ho Chi Minh City in Vietnam and Malacca, Malaysia. This was our intensive program for seminary students in Malaysia and Vietnam. In addition to our seminary program, our MAGL (Christian MBA) program has partnered with Bisco group, a Vietnamese Business network group to provide business education and seminar. As part of this initial partnership, we have organized an executive business seminar in Ho Chi Minh City on June 2018. The executive seminar was well received and was attended by mostly non-Christian executives. This is our effort to reach out to non-Christians in Vietnam market place where Gospel as well as Christian ethics and moral values can be made available. We envision more seminars and business events in future for Vietnam and Malaysia and would like to invite Christian businessmen and professionals to join and partake in this venture. The number 4 defines our boundaries. 1) All we do is legal. 2) All we do is highly verified. 3) We specialize in reaching the rural areas. 4) Everything we do is free for the church in China. WANT TO GROW YOUR BUSINESS? WANT TO IMPACT STUDENTS FOR CHRIST? *NOW YOU CAN DO BOTH!*

Barnabas member Scott Sorrell teaches **"Marketing for Entrepreneurs"** as an Adjunct Professor at Cal State Fullerton. Each semester, he unleashes 8-10 MBA/senior **consulting teams** on a few lucky SoCal businesses, which then benefit from several months of positive marketing attention. **Digital marketing, branding, packaging, broadcast media, SEO, social media, market research, trade show strategy, product development, channel identification, website redesign**

Scott says, "These students are all over the map spiritually, but they respect experience and listen to wisdom, and I've found **you can have a personal impact that goes deeper than a typical professional relationship**. If you as a business owner demonstrate biblical character combined with professionalism, AND give them a high-demand marketing challenge to stretch them, you'll gain not only their appreciation and respect, but their ear for deeper things."

Whether you've got a marketing mess you need to fix, or a solid marketing machine you want turbocharged, get in touch with Scott. You'll enjoy both the financial benefit of having an enthusiastic marketing consulting team working for you, plus the spiritual opportunity of being exposed to young minds and hearts that are still forming their opinions about life and eternity.

HURRY – FALL SEMESTER IS ABOUT TO BEGIN!

E. THE FIVE DRUCKER QUESTIONS (internal)

1. What is our mission?	Our Mission is to provide the transforming gift of mobility to people with a disability living in developing nations as motivated by Jesus Christ.
2. Who is our customer?	<ul style="list-style-type: none"> • Our PRIMARY customer is: The 70 million people living in underserved regions of the world where a wheelchair is either inaccessible or unaffordable. • Our SUPPORTING customers are: The supporters who come alongside us and provide the financial resources our organization needs to provide the gift of mobility to those with a disability living in developing nations.
3. What does the (PRIMARY) customer value?	The transforming gift of mobility. Desire for independence - not having to crawl on the ground, relying on someone to carry him; or being forgotten in the back room of their home. With a wheelchair our recipients have the opportunity for employment, education, church attendance, and to become an active member of their community.
4. What have been our results?	Free Wheelchair Mission has provided more than one million individuals with the gift of mobility since 2001.
5. What is our plan?	Our 2020 plan: <ul style="list-style-type: none"> • Strengthen our distribution partner network • Thoughtfully collaborate with our peers and partners to innovate for utility, durability, and longevity • Implement and execute an effective marketing and development plan to grow revenue and support base

G. THREE STRATEGIC WAYS FOR TBG MEMBERS TO BECOME INVOLVED AFTER MEETINGS

No.	Opportunity/Task/Volunteer Role	Target Date
1	Use your communication & event planning skills in the Orange County area or within your company to invite your network to a screening of the documentary, <i>Because No One Should Have to Crawl</i> . 2 additional hours night/afternoon of, to emcee the event.	Fall 2018
2	Spend an afternoon with a FWM representative to strategize about reaching our target demographic in Orange County with our new corporate engagement program. We need help refining our approach with business owners.	Now
3	Join FWM's Marketing committee to strategize how we can grow our brand awareness and our support base to reach our vision of distributing our second million wheelchairs by 2025, half the time it took for us to distribute the first million wheelchairs.	Now
	<u>Major Prayer Request:</u> In an effort to serve more individuals living with a disability with wheelchairs, we have set an ambitious budget for this fiscal year. Pray for us to recognize where this funding can be provided & the joy to seek it out. Pray for our wheelchair recipients. Many have experienced trauma in their lives. Pray that they experience God's love through this gift of mobility.	

H. BIG QUESTION to be discussed during TBG Quarterly Meeting.

Our BIG QUESTION is: How do we get a business owner to say “Yes” to a FWM presentation on workplace giving?

Giving **real estate** Instead of Cash

Strategy in Brief

NCF allows you to give interests in appreciated real estate (raw land, residential, and/or commercial real estate) to NCF prior to sale. This strategy avoids capital gains taxes on the gifted portion, and you will likely receive an income tax deduction for the appraised value of the gift, freeing up additional cash flow for more giving.

How it Works

Results

This table shows the impact of giving a \$1,000,000 piece of land with a \$100,000 cost basis and no debt.

	Sell then Give	Give then Sell
Capital Gains Tax	\$299,700	\$0
Income Taxes Saved	\$370,459	\$529,000
Net Tax Benefit	\$70,759	\$529,000
Giving	\$700,300	\$1,000,000

As a result of giving assets vs giving cash, **nearly \$300,000 MORE** would go to your favorite ministries while increasing net cash flow by \$158,541 for more giving or other options!
