## **“Personal Privacy Protection Act”**

An Initiative called the “Personal Privacy Protection Act” was filed in April. This Initiative, if passed, will protect an individual’s right to privacy while using locker rooms, restrooms, and showers in government buildings.

- Under the “Personal Privacy Protection Act” a person must use facilities in accordance with their biological sex in government buildings, including schools.
- Currently in California, schools are implementing co-ed locker rooms, bathrooms, and showers! This Initiative is necessary to stop this assault on privacy.
- Boys and girls should not be forced to shower, change, or use the restroom in front of members of the opposite sex.
- Despite what opponents claim, keeping these facilities separated by sex does not violate the Constitution or any Federal laws.
- We must gather 500,000 signatures to qualify this Initiative for the 2016 ballot.

**Petitions are due in our office**

# *Scholarship Update:* Adopt a Soldier, Sailor, Marine or Airman

As we celebrate Veteran's Day, now may be an appropriate time for you to prayerfully consider sponsoring, or co-sponsoring, a soldier, sailor, marine, or airman to participate in **The Master's Program**. Funded by our graduates and friends...this is a wonderfully patriotic way to say thank you to those believers who have inspired us with their response and have put their lives at risk to preserve our freedom.

Today, the typical profile of the soldier being sponsored is: a Christian who prefers attending the live sessions of **The Master's Program** where they sense a feeling of belonging in a community of believers; a recently retired combat veteran with multiple deployments in Iraq/Afghanistan; awarded Medals of Valor, Bronze Stars and Purple Hearts; one with a leg amputation; most have suffered from PTSD; are located across

the country; and are being served there through live sessions of **TMP**.

A full sponsorship is \$3,650 a year for three years or one may opt to be a co-sponsor for a lesser amount. Donations may be monthly, quarterly or annually.

Please contact me on my mobile phone with your questions at 714-315-3042 or email me at [phil@mastersprogram.org](mailto:phil@mastersprogram.org).

Grateful for your consideration,

Tell Gate Keeper you are attending the Elam event

You are invited to hear a powerful speaker who will change your understanding of the Middle East. It's a week before Thanksgiving and we guarantee you will leave challenged to a deeper walk with Christ and grateful for your freedom.

- If you wonder what the news media isn't telling us about Iran, you will learn the truth from people living it.
- Did you know that the fastest growing church in the world is in Iran and it's entirely in underground "house churches?"
- Do you realize amid all the turmoil in the Middle East, more Iranians have trusted Jesus as their savior in the last 10 years than the last 1400 years?
- You will see how Jesus is miraculously touching the lives of Muslims and calling them to Himself. Muslims are falling in love with Jesus.
- This is a unique opportunity to meet a remarkable Iranian Christian who has committed her life to building the church and training its leaders.
- She will tell you how courageous and committed our Iranian brothers and sisters are, their stories and what we can learn from them.
- Elam Ministries will show how they work with Christians in Iran and Turkey with ministry training, modern Farsi Bibles, Christian books, television and internet content.

This uplifting message will show that God's plans are much greater than anything we can imagine. Please bring your friends, family, neighbors, bible study groups, MOPs groups, women's, men's and missions ministries. Invite Churches and Pastors.

You are welcome to extend this invitation to any Christian friend, group or church. Just please do not post it online.

Please RSVP to: [cathieunderwood@cox.net](mailto:cathieunderwood@cox.net) or [dianamyers@cox.net](mailto:dianamyers@cox.net)

### You're Invited to a Barnabas Journey of Generosity

**Hosted by:** Jim and Suzy West

**Date:** Fall 2015

**Time:** Thurs 2pm - Fri 12pm

**Location:** The Blue Lantern Inn, Dana Point

Honest conversations about generosity with our peers are rare but valuable. We want to create a time for Barnabas members and their spouses to come together in casual fellowship on the subject of generosity.

Please let us know if you have interest in joining us. You can learn more by watching a 2 minute video at [generousgiving.org/small-gatherings](http://generousgiving.org/small-gatherings)

## WHAT TO EXPECT

We call these overnight events a Journey of Generosity because we are all on our own journeys and it is invaluable to come together to encourage each other along the way. We create a safe place to explore the abundance of generosity.

This experience is designed to focus on your heart and not your money. We never ask for money or let anyone else ask you for money, ever. We know your journey is unique and we never prescribe what you should give to or how much you should give.

## EVENT DETAILS

We hope that you can join us. Please RSVP to Jim West by Sept 15, 2015: [jim.west@barnabasgroup.org](mailto:jim.west@barnabasgroup.org). We will then email you more information. This event is invitation only.

**GENEROUS GIVING** exists to spread the message of Biblical generosity in order to grow generous givers among those entrusted with much. We are privately and fully funded. Simply put, this is not a fundraiser of any kind. We do not solicit or allow donations at our event, or award grants.

## **Do you have connections in the Christian Music/Church Music Industry? The team at Worship Resource Media needs your help!**

WRM is creating a web-based tool for intentionality among worship leaders and planners. This tool – [worshipbetter.com](http://worshipbetter.com) – has great potential to positively impact churches that would like to grow the theological thoughtfulness in their sung worship content. However in order to be most effective, WRM needs to work closely with established players in the world of Christian worship music - organizations like CCLI (Christian Copyright Licensing International) and [Hymnary.org](http://Hymnary.org). If you know anyone who can help connect WRM with these, or related organizations in the church music sphere, the team at WRM would love to hear from you! contact [info@worshipbetter.com](mailto:info@worshipbetter.com) to help!

## Kingdom Coalition For Kids

Kingdom Coalition 4 Kids is growing its collaborative mission and is looking for help with its expansions, we provide assistance to Gods children by coming alongside the ministries that are serving them within those communities. We bring in other ministries and churches to help provide life sustaining services, introduce the children to Christ and give them the love and mentoring to start the rebuilding process. This will give them the much needed belief in themselves and the spark to create their big dreams. We believe giving the children the basics then pouring Christ in them through our actions will give them the serving heart to start to change their outcome, we have seen firsthand how these kids start to serve and want to excel when given the chance. We are looking to expand our team with passionate children focused individuals that want to make a difference in the lives of Gods orphans. We are currently working in Baja Mexico, South Africa and right here in Orange County.

## International Princess Project

2015 has been an exciting year for International Princess Project (IPP). IPP has successfully rebranded and transitioned into two organizations.

**Sudara Inc.**—A benefit corporation (a for-profit structure that has a social mission of providing jobs for women at risk of or escaping from the sex trade baked into its articles of incorporation.) Sudara is now successfully running and growing the PUNJAMMIES™ business—an online retail business utilizing the fabric of the traditional Indian Sari to create a simple, and beautiful line of pajamas and loungewear called PUNJAMMIES™.

PUNJAMMIES™ are made in India by women who are on the path of restoration and healing from a life of sexual slavery or at risk of such a life. Sudara products appeal to a discerning, socially conscious, consumer market, and are winning in the e-commerce space.

**And the Sudara Freedom Fund**—the charity formerly known as IPP. The Sudara Freedom Fund invests charitable dollars to enhance and grow the impact of NGOs in India, enabling them to make a deeper impact in the lives of the at-risk women and children that they serve and helping them develop economically sustainable sewing enterprises.

### E. THE FIVE DRUCKER QUESTIONS (internal)

From: *The Peter F. Drucker Foundation Self-Assessment Tool: The Five Most Important Questions Every Nonprofit Organization Must Ask* (leadertoleader.org)

<b>1. What is our mission?</b>	REALITY CHANGERS transforms lives, schools, and communities by providing youth from disadvantaged backgrounds with the academic support, financial resources, and leadership training to become first generation college students.
<b>2. Who is our customer?</b>	<ul style="list-style-type: none"> <li>Our PRIMARY customer is: low-income youth who will become first generation college students.</li> <li>Our SUPPORTING customers are: high schools, school districts, and youth-serving organizations that seek to bring our Academy program to their locations</li> </ul>
<b>3. What does the (PRIMARY) customer value?</b>	Inner-city youth are desperate to escape the pitfalls of gangs and drugs, if only they had other choices. Reality Changers provides these students – some of whom started the program with GPAs as low as 0.0 – with the positive support structure they need to succeed academically and escape the streets and incarceration.
<b>4. What have been our results?</b>	Reality Changers began in 2001 with just \$300, but by June 2016, the program's students will have earned over <b>\$100,000,000 in scholarships</b> from all sources.
<b>5. What is our plan?</b>	Our plan is to offer a deeper level of programming for 8 <sup>th</sup> -11 <sup>th</sup> graders in the San Diego area and begin the first phase of Orange County expansion with our Academy program for 12 <sup>th</sup> graders.

No.	Opportunity/Task/Volunteer Role	Target Date
<b>1</b>	We are seeking business & Christian ministry leaders to help us plant new camps. We need networkers like you to connect us with church leaders, business leaders, and individuals that will understand our vision and join us to reach the neglected children in Foster care.	Ongoing
<b>2</b>	Come to Summer Camp for one day! We are able to bring business and church leaders (and spouses) to camp for day visits to see a living model of our program and hear directly from the people it impacts: Directors, volunteers, current and former campers. It's a powerful few hours (10a-3pm) and is perfect for teams of people or families (ages 17+ only). We have dates available throughout the summer.	During Q3: July 1 - September 30
<b>3</b>	We have opportunities for community fundraising events this spring. We need 20 volunteers and interested sponsors: our program + your business. Or we would love to have you bring friends and come attend. Or Are you looking for a serve opportunity for your business and employees? We would love to help put together an experience to help bless one of our local clubs.	February 25, 2016  Ongoing
