Giving Privately Held Stock Before a Company Sale

Strategy in Brief

Donate a non-voting interest in your business to your NCF Giving Fund before the sale, receive a substantial tax deduction, reduce or eliminate capital gains taxes on the gifted interest, and convert those tax dollars into more giving to your favorite ministries.

How it Works

Results

This table shows the impact of giving a California 20% non-voting interest in a \$5M C-corp (with a \$100,000 cost basis) prior to the sale.

	Sell then Give	Give then Sell
Capital Gains Tax	\$1,817,900	\$1,454,320
Income Taxes Saved	\$320,119	\$503,000
Net Taxes Owed	\$320,119	\$866,580
Giving	\$636,420	\$1,000,000

As a result of giving assets vs giving cash, **\$363,580 MORE** would go to your favorite ministries while increasing net cash flow by **\$182,881** for more giving, saving, or investing!

LIND & ASSOCIATES, LLC PRESENTS:

Passing the So-what Test

Learn how to zero in on the most compelling argument for financial support; the impact your organization produces.

Dr. Gilles Gravelle

Based on Gilles' new book, *So What? Answering a Donor's Toughest Question*. Gilles has over thirty years of experience in missions and ministry. He has been involved in proposal writing, fundraising, vetting funding proposals, and advising high net worth donors. He does extensive research on ministry and philanthropy trends. He has helped many nonprofit organizations develop clarity around their impact goals, so they know what to measure and how to talk about it with potential donors.

Non-profit leaders use a lot of words and arguments to convince a new audience that their cause is worthy of their support. However, it is often overwhelming for the audience. Instead, let your organization's good results do all the convincing from the start. This is not necessarily about numerical impact. Rather, it is a timeline of your change stories.

New donors will join you because:

- They understand the qualitative impact you produce.
- You made their learning journey easy and enjoyable.
- You avoided insider jargon and complexity.
- You didn't ask for a donation up front.
- You talked more about results and less about yourself.

PRAISE GOD FOR ALL HE HAS DONE THROUGH FAR EAST BROADCASTING OVER THE PAST 75 YEARS!

Beginning 75 years ago FEBC used shortwave radio to proclaim the Gospel to the hardest to reach in Asia! The evidence was slow in coming in the form of letters from rural China, Southeast Asia, and Indonesia. In the past few years we have an explosion of effective audience engagement through many Social Media platforms in dozens of countries! The evidence comes instantly in numbers of follower’s hours of streamed and downloaded content and listeners’ responses! The success is in decades of trusted local staff that have earned the trust of the people combined with the power of Social platforms!!!

We praise God for extraordinary staff and the gift of technology!

ASSOCIATE PROGRAM

YOUNG, AND READY TO GROW.

➔ What is it?

The Associate Program is an open door for younger, business-minded believers, who would like to participate in Barnabas.

➔ How much is it?

With all the benefits of a full partner, the Associate only pays \$250 for the year, and it can be paid in increments or all at once.

➔ How do you sign up?

All inquires can apply by contacting John Cissel III at: JohnCissel@apartmentlife.org. With a limited amount of spots available, those referred by current partners will be considered first.

BECOME AN ASSOCIATE, JOIN A COMMUNITY.

We are currently seeking young, business-minded individuals who value the growth and support of ministries around the world. An associate has the privilege to network, coach, and grow from the top Christian leaders in Orange County. All Barnabas events are open to Associates including; SWOT, BAM, and private events such as the Associate breakfast and BBQ.

A challenge to current partners:

All Associates that attend will be wearing a yellow name tag. We challenge you to talk to one of them and grab coffee outside of a meeting. Our hope is that Associates would find partners that would like to pour into them, acting as a coach or mentor during their time at Barnabas. If you know someone that might be interested in the Associate program such as a son or daughter, please contact John Cissel III at: Johncissel@apartmentlife.org.

The Bema Live: Reflection

For no one can lay a foundation other than that which is laid, which is Jesus Christ. Now if anyone builds on the foundation with gold, silver, precious stones, wood, hay, straw—each one's work will become manifest, for the Day will disclose it, because it will be revealed by fire, and the fire will test what sort of work each one has done. If the work that anyone has built on the foundation survives, he will receive a reward. If anyone's work is burned up, he will suffer loss, though he himself will be saved, but only as through fire. (1 Cor. 3:11-15)

For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil. (2 Cor. 5:10)

1. In “The Bema Live,” we see that Daniel has the gift of Encouragement and the Gift of teaching. He is also diligent, hard-working, and a natural provider. What are some ways God has gifted you?
2. Scripture says that, “whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31) This means that every action: work, family time, even *sleep*, can be done to the glory of God! Think about your last day. Were those 1,440 minutes eternally invested for God's glory, or were they spent on something you can never get back? Were those minutes worthy of, “Well done, my good and faithful servant,” or will they be burned?
3. After Daniel sees his life through Jesus' eyes, he wakes up. He's realizes that he doesn't want to waste the precious time and gifts he has been given. Have you woken up?

Giving **real estate** Instead of Cash

Strategy in Brief

NCF allows you to give interests in appreciated real estate (raw land, residential, and/or commercial real estate) to NCF prior to sale. This strategy avoids capital gains taxes on the gifted portion, and you will likely receive an income tax deduction for the appraised value of the gift, freeing up additional cash flow for more giving.

How it Works

Results

This table shows the impact of giving a \$1,000,000 piece of land with a \$100,000 cost basis and no debt.

	Sell then Give	Give then Sell
Capital Gains Tax	\$299,700	\$0
Income Taxes Saved	\$370,459	\$529,000
Net Tax Benefit	\$70,759	\$529,000
Giving	\$700,300	\$1,000,000

As a result of giving assets vs giving cash, **nearly \$300,000 MORE** would go to your favorite ministries while increasing net cash flow by \$158,541 for more giving or other options!
