

# THE BARNABAS GROUP SUMMIT

*November 3, 2023  
Orange County, California*

National Christian  
FOUNDATION® California

# What is a NCF Giving Fund?

Experience a whole new way to give

A Giving Fund with National Christian Foundation (NCF) is an easy-to-establish, low-cost, and flexible account for charitable giving that is a popular alternative to creating a private foundation. Also known as a Donor-Advised Fund, it's the fastest growing charitable vehicle in America today.

NCF Givers unlock the power of giving to their favorite charities with greater impact through the giving of appreciated assets like stock, real estate, and business interests.

Many people have a financial strategy, but very few have a giving strategy. Having just recently passed the 15 billion dollar mark in lifetime grants, NCF wants to see every person reached and restored through the love of Christ by mobilizing resources and inspiring biblical generosity.

**Open a NCF Giving Fund, and open up a whole new way to give.**

NCF California

Welcome to the last Quarterly Summit of 2023!

I'm thrilled that you have chosen to spend the morning with us today.

There are a couple of key ingredients to each of our Summit Gatherings:

First, **CONNECT**. Look all around you. There are people in this room that you should connect with. These people share your passion to be used to impact God's Kingdom! They are here to meet like-minded people who believe that we are better when we come together in Community. Take some time today to **CONNECT**.

Second, **LISTEN**. We have 2 ministries presenting this morning, and both have a really good vision and passion to impact peoples lives. **LISTEN** to their story, hear their vision. You learn about some of the opportunities and challenges they are facing. **LISTEN**

Third, **LEARN**. You'll hear new things, Brian will teach you some things that are facing organizations around the world. You'll also learn from those around your table. So much great information to process.

Lastly, **RESPOND**. You'll be invited to reply to opportunities, you'll be asked to bring your **TIME, TALENT** and **NETWORK** and help address some of these challenges. You'll have the opportunity to **RESPOND**. For some of you, it might be the decision to join us in the OC Barnabas Group. For others, it's the response to one of our ministries that is a perfect fit for you. **RESPOND**.

The Barnabas Community is more than a meal!

Today, my prayer is that God will help you discern where you should **CONNECT, LISTEN, LEARN & RESPOND**.

This is what Barnabas is all about: *"Connecting People to Kingdom Opportunities"*

Enjoy the time together this morning!

In His Grip,

Russ

## Meeting Presenters

### Keynote Speaker

#### **Brian D. Audia**

Entrepreneur, speaker, executive coach, and organizational performance expert

Brian is passionate about increasing organizational performance through methodologies that help people engage fully in their work and give more discretionary effort. Organizations with the highest levels of employee engagement will consistently outperform the markets and their competition over time through more significant innovation, higher customer satisfaction, and increased profits. They attract greater investment and sell at higher multiples. Most importantly, though, places of work with high engagement are places of joy where people thrive. Brian has directed humanitarian and social service operations in over 40 nations and two dozen cities across the United States.

Currently, Brian leads two businesses in the role of CEO. First, Powered By Text, an enterprise-level SAAS company passionate about helping purpose-driven organizations cultivate connections that create infinite impact, as well as AUDIA, a growth-oriented consulting company providing organizational performance and executive leadership services to increase the performance of businesses, nonprofits, and ministries.

# BARNABAS CONSULT

*Without consultation, plans are frustrated,  
But with many counselors they succeed.  
—Proverbs 15:22*

Imagine being part of a diverse group of 8-10 Christians.

Now imagine your group spending about two hours using your skills and experiences to help a growing ministry find the answer to a "BIG QUESTION" facing their organization.

## **You have just imagined a Barnabas Consult meeting!**

Barnabas Consult gives you the opportunity to use your God-given gifts, skills, and experiences to benefit ministry organizations.

Think you have no expertise to offer?

Make yourself available and see how God uses you!

Some Consults will be in-person, others will be on Zoom.

If you're a Barnabas Group Partner and haven't previously completed our **Participant Interest Form**, we encourage you to do so at <https://www.surveymonkey.com/r/tbgconsult> (or scan the QR Code).

This provides us with some basic information about your interests and abilities to help us match you to the right ministry.

**For more information, contact our  
Barnabas Consult Coordinator:  
Alan Weisenberger  
at [alan@enLumenLS.com](mailto:alan@enLumenLS.com) or 714-981-5585**

**If you or someone you know works with a ministry that needs help answering some BIG QUESTIONS about their organization, please contact Alan for additional information.**

# INSTRUCTIONS FOR FEEDBACK FORMS

Each presenter has a Feedback Form in the handout. Following each presentation, please take a moment to complete the form, then tear it out of the book and place it in the correct basket at the registration table on your way out. Our presenters will pick this up tonight and will follow-up with you immediately!

Here are some instructions for these forms:

1. Please be sure to write legibly! If your phone number or email address isn't clear, it will be difficult for them to follow-up with you!
  2. Check or Circle the things you are interested in connecting on. Feel free to write a personal note on the page about what you're thinking about.
  3. You can use these forms as well to write a note of encouragement to these presenters, simply thanking them for what they're doing and letting them know they were heard!
  4. If you have someone you'd like to connect them with or introduce them to, please write that on the form, and then follow-up with it.
- Please don't feel that you need to respond to EVERY organization that is presenting.
  - We encourage our Partners and Guests to prayerfully complete these response forms before turning them in to these leaders.
  - Remember: The purpose of The Barnabas Group is to help our Partners to use their TIME, TALENT & NETWORK to help organizations increase their impact and effectiveness!
  - These forms are the primary way that we initiate these conversations between our Community and the Organizations Directly!
  - **Don't forget to drop your forms off in the baskets on the table at the break or at the end of the evening.**
  - You can also complete these forms on the Barnabas Group App.

<b>STRENGTHS</b>	Holy Spirit led, rooted & grounded in Scripture, active Christian BOD with varied life path & gifts, Committed support team/volunteers, proven process
<b>WEAKNESSES</b>	Participant cost/financial benefit to CPs, weak participant pipeline, efficacy in sharing our story to stakeholders, length of time to train new CPs

# Give More By Giving Stocks

Reduce taxes and send more to charities

If you are currently writing checks to charities, but also have appreciated stocks or mutual funds in a taxable investment portfolio, you likely have a significant opportunity to pay less tax, give more, improve your personal cash flow, and simplify your giving.

**Less to Taxes** - You typically receive a tax deduction for the fair-market value of your gift.

**More to Charity** - The capital gains taxes you potentially save from giving directly means more goes to support charities.

**Personal Savings** - Because you receive the full tax deduction, you may see significant savings on your income tax returns.

By donating long-term, appreciated assets such as stocks, real estate, and business interests before the sale, you can potentially reduce taxes and send more to charities.
